## SPECIFIC REQUIREMENTS:

### **Department of Agriculture, Food & the Marine, 2014 Identification:**

All sheep must be identified individually with appropriate ear tags issued in accordance with the requirements of the National Sheep Identification System (NSIS)

### **Movement Documentation**

All consignments of sheep being moved must be accompanied by a completed dispatch document. Individual details of each sheep in the consignment must be recorded on the document. Sheep from non-restricted flocks only can be moved to Shows. In the case of flocks restricted following diagnosis of scrapie, sheep possessing the ARR/ARR genotype only may be exhibited. The movement of these ARR/ARR genotype sheep must be accompanied by the relevant movement permit (SCR /10) which can be obtained from the local District Veterinary Office in the county where the flock is located.

### **AIM Notification**

The movement of sheep to & from an Agricultural Show within the State must be recorded on

AIM. This is done using a copy of the owner's sheep dispatch document as follows: The owner/keeper presents the signed & completed dispatch document to the show secretary who checks it to ensure that it is completed in full.

The show secretary fills in the MART section of the dispatch document with (i) the show number, (ii) the date of the move back to the source holding (iii) stamps it with the show stamp & (iv) signs the dispatch document.

The show secretary then forwards the completed pink section of the dispatch document to the local DVO within 7 days of the show movement. The show secretary keeps the white copy for his/her records. The source / destination keeper keeps the bottom yellow copy to enter it into their flock register. Ultimate responsibility for fulfilling this requirement lies with the Show Secretary.

### **Flock Register**

All movements of sheep to & from shows must be recorded in the keeper's flock register.

## Minister For Rural & Community Development and The Gaeltacht

*Welcome to the 2025 North Tipperary Agricultural Show. As Minister for Rural & Community Development & the Gaeltacht, I am delighted to be in a position to support the North Tipperary Agricultural Show for 2025. My Department will again this year provided €1 million to over 120 other agricultural shows combined across the country, including your own event here in North Tipperary.*

*Ní hamháin gur ceiliúradh ar shaol na tuaithe agus ar thraidisiúin na tuaithe iad seónna, is ceiliúradh freisin iad ar an nuálaíocht agus ar scoth na tuaithe.*

*Déanann na seónna ceiliúradh freisin ar atá i gceist agus ar an tábhacht atá le Meitheal a bhfuil rath na bpobal seo ina croílár.*

*Like the show here in North Tipperary, each local show around the country continues to be a key social event in the agricultural calendar. They have so much to offer, not just in terms of the competitions that are taking place here today, but also for the platform they provide to local businesses, local farmers & for local craft & artisan food producers. The local show is also one of the best days of the year for meeting neighbors & friends.*

*Your local shows provide a great link between our towns & villages & the rural hinterlands that support them. A place where exhibitors, producers, farmers & the wider public meet face to face to share all that is good about life in the countryside.*

*Each of the shows taking place this year have something special that makes them stand out from the rest. It may be the pedigree livestock competitions or perhaps the exhibitions & food offerings. Whatever it is, your local agricultural show has something for everyone.*

*I would like to acknowledge the work that goes on for many months behind the scenes to bring this show to fruition. The efforts of committee members & local volunteers is a testament to how much this show means to the locality. Of course there is a sense of local rivalry for those much coveted titles & awards but it is always in the very best of spirits. The way in which neighbouring farms & parishes come together to support each other is a key component of country life. This sense of Meitheal is always on display as part of the local show.*

*Today is a chance to take a break from the busy farming schedule this time of year. I hope those of you attending the show this year thoroughly enjoy the day & that it gives everyone a chance to celebrate all that is good about rural Ireland. I will be visiting a number of the shows around the country & meeting as many of you as I can.*
